Program rationale and differences from 2017:

- Attempts made to occupy both weekend days with events rather than spread over many separate weekend days.
- Post Nationals 'State Team Dinner' included on 30th June.
- Schools Judo Competition introduced on 7th July as a 'New Initiative' even though done before in the past.
- State Titles moved to early November as the climax competition for the year. Spring Champs included on 25th August.
